ARUNDEL WETLAND CENTRE

Nestled idyllically in the South Downs National Park against the backdrop of Arundel Castle, this is the perfect destination for your group. Enjoy getting close to amazing wildlife including rare birds from around the world, super-fast diving ducks, friendly water voles and kingfishers zipping along waterways. This gorgeous nature reserve also offers relaxing guided boat trips, an amazing boardwalk through towering reeds, and comfortable wildlife hides.

Not to be missed!

Water safaris: your group can relax on one of our guided boat safaris while gliding through reeds on our watery trail. Spot water voles, kingfishers and dragonflies along the way (all boats are accessible for non-motorized wheelchairs).

Feathered feeding time: with seed in their hand and rare birds from around the world at their feet, your group are going to love the World Wildfowl Feeding Bay.

Reed-tastic: wooden decks and bridges lead your group into a wonderfully peaceful world of reed beds, lakes and forests, where dragonflies dance around you.

Comfort viewing: a whole world of wonder awaits your group in our Discovery Hide. Books, binoculars, a fixed scope – it's the ideal spot to befriend Arundel's top ten birds. We also have a range of other hides and experts available on weekends and holidays to help your group spot wetland wildlife.

Icelandic Lake duck n' dive: your group can watch our sea ducks show off their diving brilliance as they zip through the water, particularly at our daily feeds.

Wildlife garden: secret glens, beautiful flowers and peace and quiet – bloomin' brilliant!
