FLORIADE 2022

*A once-in-a-decade floral spectacular
River Cruises - Holidays by Rail*

Once every 10 years in the Netherlands, we are treated to the world's ultimate flower show in a spectacular festival of flowers. In 2022, the **Floriade World Horticultural Expo** takes place in the Dutch town of Almere and will be spread over five themed zones across an enormous 66 hectares and is also a celebration of plants, vegetables, fruit and produce.

The Expo's theme, Growing Green Cities, will focus on the Green City of the Future. The sub-themes are green, food, energy and health. The Expo will be situated in a unique Green City Arboretum. It will cover the entire site and feature a stunning collection of trees, plants, crops and flowers - in a seemingly unending spectrum of amazing colours and scents. Join us and be part of this once-in-a-decade celebration of the world's most innovative horticulture.

We have a collection of River Cruises and Rail Holidays visiting this spectacular event and also taking in the very best sights of the Netherlands and Belgium from Amsterdam to Antwerp.
